

Center for Synthetic Biology

Yearly Meeting – 5-6. March 2013

at Copenhagen Zoo

Program

Tuesday 5. March

8-8.30	Registration + breakfast
8.30-8.50	//Welcome//
8.50-9.30	UNIK - Center for Synthetic Biology Birger Lindberg Møller: <i>The Synbio Endeavor: Blue Sky Research with Strategic Edge</i>
9.30-10.45	//Synbio Plant Biochemistry// Coordinated and chaired by Birger Lindberg Møller
10.45-11	Coffee break
11-11.15	Social activity (TBA)
11.15-12.30	Synbio Ethics (Sune Holm)
12.30-13.30	Lunch + 'the synbio song'
13.30-14.45	// Synbio Neurobio // Coordinated and chaired by Ulrik Gether
14.45-15	Coffee break - Coffee, the, cake and fruit
15-16	Group discussions: Intersections of the cross-disciplinary collaborations
16-16.30	Presentations and wrap up of day

End at 1 am	Wednesday 6. March

Wednesday 6. March

8-8.30	Arrival + breakfast
8.30-8.40	Opening of the day
8.40-10	// Synbio Nanoscience //
10-10.15	Coffee break
10.15-11.30	//Synbio Biophysics// Coordinated and chaired by Lise Arleth
11.30-11.45	Social activity (TBA)
11.45-12.30	Key note: Steven Sligar: Title TBA
12.30-13.30	Lunch
13.30-14	//New Horizons // Birger Lindberg Møller: <i>Extending and Enriching the UCPH Synbio Hub</i>
14-15.15	//New collaborations, new possibilities// The new collaborating partners of the Synbio endeavor
15.15-15.30	Coffee break
15.30-16	Final remarks and closing of the meeting
